Respected Your Honor,

I'm already sentenced on August 29th 2019. When I was arrested in location (Michigan DTW airport). I have my property (Backpack, laptop, Harddisk, wallet with cards, phone, Smart watch, Gold chain, Gold ring and chargers) all these are taken by Department of Homeland Security (DHS), I have been seized since 8 months and also I have property (Jacket) in Midland County jail. I'm about to complete my sentencing on December then I'm going to be deported from United States. For MY PROPERTY I requested my Attorney many times but still I haven't get my property yet, he is not even responding either me or my family.

Your Honor, please help me out to get my property back. Once I returned to my country I can't afford all these.

Please and thank you for your time your Honor
